

1 Complete this table for your five highest compensated independent contractors that received more than \$100,000 of compensation from the organization Report compensation for the calendar year ending with or within the organization's tax year

(A) Name and business address	(B) Description of services	(C) Compensation
This Part VII B being blank, it's odd that \$346K is listed on Part IX (Expenses), or over 1/5 of costs (that's over 20%) as "Contractual Services." One wonders what they were for and why not listed under Line 11g "Fees for Services" there which would've required (for anything more than 10% of total expenses) to be explained on a Schedule "O."
