

2011 – The OCF launched the Ohio County Fatherhood Initiative which provided community-mobilization training and capacity-building grants to 12 Ohio counties.

July 1, 2011 – The OCF received \$1 million in TANF funds per year in the 2012-2013 biennial budget. The budget bill amended Ohio Revised Code section 5101.34 giving the Governor authority to appoint the Executive Director of the Commission who would then report to the Director of the ODJFS.

2012 – The OCF awarded grants to 8 community-based fatherhood programs and selected an outside contractor to evaluate the effectiveness of those funded programs. Kimberly Dent was named Executive Director of OCF.

2013 – The OCF awarded grants to 6 community-based fatherhood programs which provided services to multiple counties in one of five regions of Ohio.

2014 - The OCF provide training to four additional counties as part of the Ohio County Fatherhood Initiative, funded two pilot projects and cosponsored more than 25 high-visibility fatherhood celebrations and responsible fatherhood campaigns throughout Ohio in June, which Gov. Kasich declared to be "Responsible Fatherhood Month." OCF co-sponsored a state-wide fatherhood summit with OPNFF.

2015 - OCF selected eight fatherhood programs for funding for the next two years. Six serve multiple counties and two serve one county each. This is the first year OCF provided two levels of funding to allow less experience fatherhood programs to gain funds and technical support. OCF receives \$10 Million federal grant to serve new and expectant fathers.

It says above that "OCF" is under ODJFS (reports to). OCF does not appear to be a state-level "Entity" hence \$10M earmarked to "OCF" (Notice omission of, from which federal agency, although it's probably HHS.).
