**ABOUT****OFFICES & FOUNDATIONS**

The Open Society Foundations are a family of offices and foundations created by philanthropist George Soros. This directory includes our offices and **country and regional foundations** located throughout the world.

**View by Location**

Africa

Europe

Middle East

Asia

Latin America &amp; the Caribbean

United States

*re: Discover the Networks report on "Open Society Foundat'ns as of 2013"*

*the phrase "Country and Regional Foundations" clearly shows that more than one Organization / EIN# / 501©3 or (4) (USA) should be identified and the Form 990PFs of 990s viewed in seeking some grasp of scope of influence. THIS PAGE lists several specific US ones — but omits such ones as "Soros Economic Development Fund" and others funding the foundations.*
