COMMENTS PROPRIETARY to LET'S GET HONEST @ [HTTP://FAMILYCOURTMATTERS.WORDPRESS.COM](http://familycourtmatters.wordpress.com) (with a view to WP's TOU). Bell, Wm C PhD Pres|CEO CaseyFamPrograms (Seattle,WA) Salary \$746,817, benefits \$47K (Returns viewed 2010 - 2014. By 2010, his salary is up to \$1 million

All images from tax returns should be interpreted in light of the whole tax returns. I didn't record exact year of this one, but saw from years 2010 - 2014 salary increased from \$695K to (at least two years' worth) over \$1,000,000.

The Form 990PF filer in year 2014 had Total Gross Assets (Year End) of over \$2.2B (FMV) and is heavily involved in restructuring "Child Welfare" and Foster care, and claims some foster youth to be "in its direct care," ... an interesting scenario. The main income for organization is of course from investments, however, it still gets contributions from select government entities in at least three states (Calif, Idaho, Arizona). In addition, other nonprofits taking public funds and operating with public institutions (such as UC Berkeley California School of Social Welfare (under CalSWEC) often show projects sponsored by Casey Family Programs. I'm thinking particularly (for current blogging themes Dec/Jan. 2016) of the 501©3 "Child and Family Policy Institute California" (which is a related entity of "County Welfare Directors Association" operating as a 501©6, and so exempt from producing returns and RRFs for Californians to view).
