Compare Salaries to the # hours worked/week! Prestigious organization; also high salaries reduces taxable revenues, no doubt. These high-paid directors and officers have the solution and are having mercy on the poor through nationalized, coordinated restructuring of child welfare and foster care, (for starters) "our way or the highway" it seems. Collaborating institutions (state universities, agencies) and allied nonprofits) are glad to have the backing, and don't seem to think the public/private gov't. excluding public FULLY-INFORMED consent is a real problem.

WmC Bell Bio at StoneleighFoundation.org shows prior govt employmt and academic qualifications from Delta State University (Mississippi, biology & behavioral science) + Hunter College (MSW & PhD in "Social Welfare"

Significantly increased in recent years. Also see Sched B of "Excess Contributions" to Casey Fam Progrms incl. two [1 SFBay Area, 1 SoCal] Calif County Social Service agencies + at State level from Idaho and Arizona
