For more detailed information on an organization's registration, click on the Organization Name from the alphabetical list below. If there are additional pages of the search results, there will be clickable page numbers at the bottom of the list. The maximum number of pages is 25 so if you do not find the organization for which you are searching, click the 'Search Again' button and change the search criteria.

I searched by Entity Name (absent the word "And") after discovering that the documents uploaded under a DIFFERENT entity (including the word "AND" in title and specifying EIN# - but no connection between EIN# and Entity# revealed in the (uploaded there) "FoundingDox"... — including tax returns which alternated having the word "AND" (2004), NOT having it (2005.... several years), HAVING it, NOT having it, etc.
