If this were a search result (not just an image), clicking on entity name would lead to Form 990 info, whether of entity itself, or others who donated to it. That's how I found an EIN# for this group when no Full Form 990s were to be found

Showing 1 to 14 of 14 entries

Previous 1 Next

CitizenAudit.org doesn't produce extracted tables like the "Form990Finder" (By FoundationCenter.org), but they do make available earlier records and more types of records (such as an EIN# search will also show where an entity name comes up on someone else's "Grantee" List (Sched. I for a Form990, currently)
