Table of Contents

(June 29, 2014..back to Sept. 24, 2012)

I started this blog in spring 2009. It is my continuous show-and-tell learning curve exposing, as the motto says, *Family –and Conciliation – Court Operations, Practices, and History* from the early 1990s and earlier.

Nothing was posted or added to this table of contents from June 29, 2014 ([Broken Courts, Flawed Practices, Parade of Fools](#)) throughout 2015. On January 23, 2016 ([2016 More Business As Usual in MN? \(Criminalizing, Terrorizing, Jailing Mothers\)](#)) I resumed publishing posts. My personal situation wasn't particularly better at this time, it had just progressed, and I felt it urgent to continue this line of reporting, as I had not stopped investigating (or writing it up off-blog) meanwhile.

This BLOG has two separate Tables of Contents in two different posts, both near the very top of the blog: *[Update: as of 1/8/2017, I'm starting one for the new year also...]*
