From this Feb 26, 2017 "TAGGS" (HHS grants dabase) search I see that in 2017 (so far), whether or not THESE smaller Year by Year (NO Princ. Investigator shown) "SDVC" grants, under CFDA 93671, by way of "FYSB" (Family&YouthSrcvs Bureau), already diluted grants to ACTUAL BW's SHELTERS with "Prevntion & Services" and "Grants to States and Indian Tribes")...

2016	FYSB	DC COALITION AGAINST DOMESTIC VIOLENCE	DC	1601DCSDVC	2016 SDVC	4/29/2016	NEW	93671	Prevention and Services/Grants for Battered Women's Shelters: Grants to States and Indian Tribes	\$258,929

.. will continue for 2017 January, there are larger grants under "INJURY PREVENTN" (vs. "FAMILY Violence" prevention, itself an alteration from "DOMESTIC Violence" CFDA 93136, and by way of "NCIPC" instead of FYSB. SEE ALSO some mutli-million-dollar grants (over time) under CFDA 93910 to a SINGLE ENTITY (Central State U, OH) for "Family and Community Violence Prevention" I found looking for the older SVDC ones, the other day. (Other entities got such grants, but nowhere close to in the same amt. Sort grants by \$\$ — you'll see!

(Also see FamilyCourtMatters.org); investigative blogger since 2009 & formerly battered wife (I filed the TRO with kickout, which is all that stopped it, after which the family court fiascoes (many years), now probate court [extortion, basically]. I started the public interest blog to expose what the DV ("cartel") simply would not, decade after decade, although it's well-known to them and to other feminist leaders, incl lawyers.
