Note: Because CFDA 93671 wasn't shown under "Advanced Search" CFDA menu (for checking off) and no "keyword" or field was available to type in a missing CFDA# I had to search by "Recp't Name," making this an incomplete list for these types of grants. Other recp't. orgs do not contain search phrase.

#93136 Apparently started before 2017. Award#s are longer (12 vs. 10 places) and unlike abbreviatns for "State" (AL) and purpose ("SDVC") "NUS4CE00" bears no immediate resemblance to grantee OR award category name.
