**CERTAIN CFDA#s, being MISSING (M.I.A.), others are not — and no expl. to user that these might be missing. Here, there's no "93671" which represents a category of DV grants, authorized (it seems) under FVPSA of 1984 (re-authorized last ab. 2010 for Years 2011-2015) but CFDA#s 93669 and 93670 ARE showing. WHY?**

TOP PART OF "Advanced Search" fields. "RECIPIENT" (strangely) is much further below. There's no where to key in an undisplayed CFDA# even though it's quite possible people might want to search BY CFDA, and we are even encouraged to here..
