

In 2014, ICF acquired three companies:

<https://www.icf.com/who-we-are/about/acquisitions>

2014

- **Olson**, an integrated marketing technology and digital services provider based in the United States (U.S.) and Canada. ICF Olson provides customer experience solutions including communications, design, advertising, digital and branding services. They are widely recognized for their innovative strategic advisory work, software-driven customer loyalty programs, and analytics-based marketing.

specialised in institutional communication. Our clients are mainly drawn from: the European institutions (such as the European Commission, European Parliament, and the Council of the EU); international organisations; NGOs.

- **CITYTECH Inc.**, a global technology consultancy specializing in enterprise web experience management, digital strategy, mobile development, cloud enablement, and managed services and support. **Global scope, but incorporated WHERE (in the USA?)**

- **Mostra SA**, a leading communications agency based in Brussels, Belgium. ICF Mostra provides strategic communications capabilities that complement our policy work and enhance our strategy of providing both advisory and implementation services. **"an international network of partners that covers more than 200 cities in 90 countries, including the 28 EU Member States."**

2012

In 2012, ICF acquired GHK Holdings Limited, a London-based consultancy with offices across Europe and Asia that significantly increased our global presence and added capabilities in core ICF areas such as environment, health, education, social programs, logistics, and international development.

2011

In 2011, ICF acquired two companies:

- **Ironworks Consulting, L.L.C.**, an interactive web development firm that provides strategy, technology, and design services in the development of large-scale, complex technology projects.
- **Marbek Resource Consultants Ltd.**, a leading Canadian energy and environmental consulting firm that helped strengthen our position in energy efficiency, renewable energy, and pollution prevention programs.

+2 more (ns) in 2009

In 2009, ICF acquired two companies:
