| <p>This IRS 990PF filer, formed in 2005, receives funding through The Sherwood Foundation (Susan Buffett/same address), comparative assets: \$32M here, \$256M Sherwood. Warren Buffett personally funds Sherwood, again (p2 of Sched B would show) with Class B shares of Berkshire Hathaway (first glance, recent returns, @ 12/2016). My concern is the attempt to steer national public AND private early childhood education apart from fair and clear disclosure to the public on the multiple entity websites of exactly who is involved, and how much could be tracked back to VERY very rich people. In addition, Ounce of Prevention Fund tax returns just DO NOT bear scrutiny (I have looked) and there are no opt-outs for a public who cannot grasp the scope of private involvement with so many pass-through entities. | <p>This amended tax return is clean and orderly. (Grants &amp; var. Statemts ) shows networks of Educare Schools, OUNCE of PREVENTION, Alliance for Excellence (in KS), FrankPorterGrahamInstitute (UNC) evaluating Educare (as well as Regents of some universities - UWisconsin) + Erickson Institute</p>  |   |                              |  |
