Name: THE ANNIE E CASEY FOUNDATION INC

EIN: 52-1951681

NOTE: I just did a heavily annotated, multi-colored, and expressing my indignation at what AECF did by listing its own leadership here (not where it belongs on the return) AND omitting the salary of their only FT Board Member (as well as title, for example, if it was "Executive Officer" or not. Obviously anyone drawing a salary (Board member or not) is an employee, but AECF has gone one better here regarding Patrick T. McCarthy by using that excuse to NOT list his salary alongside the others in the same category — Board members! (Directors or Trustees!). Nor is it shown on Part VIII Line 2, because that presents a TOTAL for the category — which has more than one member (in fact — as I recall, it was said "198" highest-paid employees).
