

FYI: the strange black, "redacted" areas are to preserve some privacy (although I left the web address and date & time stamp in - Yr is 2017

law.ubalt.edu

When I must take a complete window screenshot to get a drop-down menu. I then black out the window frame, which other windows or applications were open, etc.

Applied feminism may occur in this center, but the opposite seems at work in the next one!
