

IHEOMA IRUKA, PH.D.

Director of Research and Evaluation

The "MORE" goes straight to an extended C.V. with degrees (straight through) in Psychology [B.A., M.A. (Temple & Boston U) or Applied Developmental Psychology (M.S., Ph.D. UMiami) in: 1999, 2000, 2003 and 2005,

Dr. Iruka joined the Buffett Institute in 2014 and oversees applied research and evaluation studies involving children from birth through Grade 3 and their families. She previously served as associate director for research at the Frank Porter Graham Child Development Institute at the University of North Carolina at Chapel Hill. Her research focuses on determining how early experiences affect the development of low-income and ethnic minority children and the role of the family and educational environments in this process. Dr. Iruka received her bachelor's degree in psychology from Temple University in Philadelphia, and a master's degree and Ph.D. from the University of Miami (Florida) in applied developmental psychology.
